This day came L. W. Perry in proper person before me, and acknowledged the foregoing power of Attorney to be his act and deed for the purposes therein named; and after being duly sworn says that he is the identical L. W. Perry who served as a Soldier in the war which separated Texas from the government of Mexico. And also came before me W. N. Jaynes and O. G. Watkins who after being duly sworn say that they have known L. W. Perry whose name appears to the foregoing power of Attorney for thirty years and that he has always been reputed among his neighbors as the identical L. W. Perry who served as a Soldier in the war of the revolution which separated Texas from the government of Mexico, and from all the information we can obtain we believe him to be the same person.

Sworn & subscribed to before me at office in Gallatin. This 31st of August. 1874.

J. R. Barry. Comm. for Texas.
