This day come Bernard Bailey and says. The annexed instrument is just true and original, that he owes the Government nothing on his own account or on account of any other person, (except what is endorsed on the back of his discharge) (and one Blanket & one Knapsack omitted when he took his discharge.) Nor have I retained, sold or embezzled any arms, munitions of War, or any other property whatever, belonging to the government of Texas or caused the same to have been done.
