AUDITOR'S OFFICE,
Houston, 19th Oct 1837

This day came Andrew J Morgan and says the annexed instrument is just, true and original, and the only one that he has offered for liquidation: that he owes the government nothing on his own account or on account of any other person. Except he has received Nine month pay on this Certificate of service or at least he was only paid $2 a.y.

Sworn to before

[illegible] 1st Auditor.
