Republic of Texas }
County of Austin } I J Burton Johnson resident Citizen of this County do hereby Certify that in the Spring of 1836 in March I think some 12 or 14 days prior to the Citizens leaving this place a Waggon loaded with ammunition & was on its way to the Army of Texas and a part of their Team had gone out & tain down a Yoke of Oxen which I knew to belong to Joseph Urbanoe of this place was taken by the person superintending the waggon & moved away with said Public Waggon afterwards I saw the same oxen in the service of the Texan Army —

Town of San Felipe April 23 1838
said oxen I think Concern mark at that time supposed sixty Collars

J Burton Johnson

Sworn to & subscribed before me at office Town of San Felipe de Austin day & date above written
Wm Hunter J.P.

PS
Some time prior I had been necessary the duties of Commissary for the assistance of such as was going to the Army & received a Commission I sent by the Council which will be seen by reference to the record of said Council & I was asked that I should strict that he would be justifiable in taking any that he could get (36) the person who was superintending the Team — & accordingly he took the ones that are before described
