To His Excellency
James W. Robinson
acting Governor

This case being rejected by the Controller I have but one word to say I cannot go into the consideration of the law ~~arising~~ or ~~upon~~ the Facts of the case I consider it imperative upon us as officers ~~of the council~~ to draw on the treasurer whenever we are satisfied the claims have been examined & allowed by the Council there being No Quorum I return the Claim to your excellency for a disposal as I cannot change my opinion.
