Matagorda September 26. 1836

I certify that I took by order of the Committee of Safety of this place, a Six.th Conon from the war house of Colr J W E Wallace and conveyed it to Guadaloupe Victoria and delivered it with ball Powder &c to Mr John J Lynn then acting Quartermaster of the Texas Army. I should say the Conon was worth — $250.00

J. G. Robinson Secty
