To the Second Auditor

Sir

You will please settle with Robert J. Calder Sheriff of the County of Brazoria such amount as may be due me upon my salary as District Attorney of the second judicial District

I have already drawn in favor of the Collector at Velasco for the amount due me on the last quarter without reference to what may be due before that time. My appointment I presume took effect for related back to the time my predecessor sent in his resignation which was early in May, you can ascertain precisely by reference to the office of the Secretary of State.

I wish the time fixed and the unsettled account to be arranged the acts of the Sheriff in this particular whatever they may be I acknowledge in advance as my own.

You will also settle with him for the amount due me upon the current quarter. And I expressly empower him to do for me every act which it might be necessary for me to do to procure a settlement of the same and aware to the fullest efficacy
