Private voucher
No. 2. B

D. F. Weymouth
filed 7 August 1837
Referred to the Secy of
the Treasury as Required
by law & Rejected by him
for want of the proper
vouchers the approval of the
late Secy of War does
not obviate the necessity
of requiring the necessary
vouchers to be produced
as they are the evidence
required by law &
should be filed with
the accounts.
