City of Houston, June 15th 1837.

I hereby certify that Wm. F. Wilson acted as Lieutenant in Capt Lawrence's company on its arrival in camp. On the election held by the Company he did not offer and was left out. I think Capt Lawrence made a report of the company as he told me to the secretary of War. And Lt Wilson was reported as 2nd Lieutenant, and I understood he had acted in that capacity from the time he arrived in Texas.
