Sworn to before

To the Honble Secretary of War

Sir

Wm. [illegible]

Wilton a private in Capt. Holliday [illegible]
has been attacked since in the Army with
Acute Opthalmia for which the usual
of Depletion and local application
been tried without success and has been
very little service to the disease and the
no probability of his recovery while in
Army. I say therefore discharge him to
he may go to the U. States where he
have the benefit of an Optician.

Wm. F. H. Davis
Surgeon [illegible]

Camp Ponce 30. May 1839.
