Dear Col If you can this fine time I would be glad if not too much trouble if you would send down to me by Rafael Herrera. a mexican of this place an over coat — a fine cloth frock coat Black or Blue — I care not which. So as get something to shield me from the northy — and also 100 quills — If there should be any pistols and should be any thing left after purchasing the coat and taking to yourself what I owe you — you may buy me a pair — I care not whether they are belt or holster new or second hand — so as they will shoot.

Yours Particularly
