Bexar Augt 2nd 1837

Richard Woods a private, who was enrolled on the 13th of April 1837 by Erastus Smith for the term of nine months, having faithfully and diligently performed the duties of a soldier up to the above date, is hereby honorably discharged. Having discharged all my men and there being no volunteer corps in existence, to which the said Woods could be attached to make out the nine months, I have given the above discharge upon my own responsibility. From a comparison of dates it will be seen that he has honorably served three months and nineteen days. According to orders received from the Executive Department, he is entitled to one dollar and fifty cents per day.
