This is to certify that Abner W. Woolsey entered the service of Texas as a volunteer in Capt Bakers Company on the 29th Feb 1836 and having served faithfully up to the 23rd May last and being in bad health was furlonged for seven days at the expiration of which time, his term of three months service expired, therefore in consequence of some informality in said furlough I give this certificate in order that the said Woolsey may receive due remuneration for said services.

Given in the County of Brazoria this 30th March 1837
