Personally come before me A. Brigham Auditor U. S. Brown and says at the time he started to Goliad from Brazoria he purchased a horse, and has paid Robt. Mills & Co. forty Dollars, for the same, sd horse he placed in charge of an Officer belonging to Capt. Dimmitt's company to leade out with other public horses, while he went on express to San Antonio; while he was gone, sds horse was reported by the officer, lost — and has not heard of him since — — Also acknowledges to have received a draft in his favour for Forty Dollars in full for this act.
