The Committee on the Judiciary would
report to the House that it would be unfair
for them to have a clerk
employing the labor which
has been performed
since the
passing of the Resolution
relating to the Committee
of Privileges and Returning Officers. They would
further report to the House that the clerk
which they have employed by order of the House
as mentioned above. They would ask the
House to suspend the Resolution as far
as they are concerned and authorize the
Chairman of the Committee to give the
said clerk the usual certificate

Mr. S. Jacks—

Moves

Resolved that the certificate of the
Chairman of the Judiciary Committee
be a sufficient voucher for the payment
of the clerk employed by said committee
and that he shall receive the same
pay as the other clerks of the House.

I hereby certify the above to be
a true copy of the original
adopted by the House of
Representatives.
