One Bedstead Mattress, boards &c. ——

One Box (Looking Glass)
One Box. (China ware)
One Trunk ——
One Teakettle — pan —

One or two Small articles, viz Spade hoe Axe &c —

The above are all the articles to the best of my memory —
Barrett I believe is an honest man and will do what is right — None of them are weighed — The Stove I bought for Two hundred — perhaps it is more — the other articles can easily be estimated if there is no Scales at Austin ——
