Hon J W Moody
1st Auditor

Dear Sir on my return home I have discovered a mistake I made in applying for the pay of Capt Jas Drake on his discharges which he was not entitled to having previously Recd his pay — he furnished me those discharges to attach in his Bounty Lands without particularly explaining the situation at the time — Enclosed you will find the Certificate No 8823 for $44.00

Respectfully your
Obt Servt
Henry Millard

P.S. I have forwarded the power of atty of David Cole which invented his signature — when I presented it to you before —

yours H Millard
