Jno. M. Swisher }

Inclosed you will find
the Discharge of Major Jno. H. Graham, as
Company & quarter master of the Troops who
were under my command, and that of Capt. R.
Barclay in 1840.

Major Graham desires it to be
audited, and the Certificate, to be sent to me, or
to him, as you choose.

I also send you Spencer
Adams' discharge - which was inadvertently
written as it appeared on the muster roll, where
the surname appeared first.

Reuben Webb's Dis-
-charge you will also find, he originally belonged
to my Company, but during the latter part of
the time of service he was with Barclay's com-
-pany as guide, and when the company were
discharged he got his - as a member of Barclay's
Company, when he ought to receive it from me
I have therefore erased Lieut. Woodlands name
and signed the Discharge myself.
