Eighteen Hundred & Eighty Two Dollars and Forty Seven Cents, dated New Orleans April 15th 1843, and payable sixty days after date;

Which said Note was given by the said Cr. Moore in the (then) present payment for Ship-Wrights Work and Repairs done to, and made upon certain Vessels of War belonging to said Texas Navy, then under Command of the said Cr. Moore and performed at his request, and in his responsibility as Commander aforesaid;

And which said Debt is understood to be comprised among those Responsibilities of the said Cr. Moore recently assumed in his behalf by the Legislature of the State of Texas, as per an Act passed thereby for that purpose;

And upon receipt of any dues coming, as to said Attorney paid upon, or by name of said Promissory Note, to grant sufficient discharges therefor.

And I hereby bind the said Firm to satisfy all that said Attorney shall legally do by virtue of this Procuration. — Witness my hand and seal, at the City of New Orleans, the day aforesaid.
