State of Texas
County of Smith

Before me the undersigned authority this day personally appeared, R. A. Barkley and Jos. C. Robinson two persons to me well known, who being by me duly sworn, depose and say that they were on the Texas Campaign in 1842, in Captain Parsons Company, and that Robert Barkley was also a member of said Company, and was massacred with others at Dawsons defeat, and that he lost his horse and equipments in said massacre, which were never recovered by the family of the deceased or any other Americans, that affiants are aware of, R. A. Barkley for himself says that he was captured at the time, and taken to Mexico, and on his way there whilst a prisoner saw the said horse in the hands of the mexicans, and believes he was carried into Mexico
