Montgomery Texas
November 1850

Gintlemen.

Enclosed you will find the claim made by us as Executors of the late Col Joseph L Bennett for his militery services to the late Republic of Texas. with such proofs as we can make & obtain at this day.—

We believe it a historic fact that a full Regiment started from Montgomery County in Sept or October 1842. Under the command of Col Joseph L Bennett— and all or most went as far as San Antonio & remained some time— And that the said Col. with a part of his command together with the Texas Army under Genl. Somervilla went on to the Rio Grande— and that the said Col. returned neither before nor after but at the proper time— and among this class we wish his claim considered—

By acknowledging the receipt of this claim by mail to B F Bennett Springfield Texas. and to Nat Hat Davis Montgomery Texas— you will much oblig— us
