Personally appeared before me the undersigned Authority Jesse Billingsley who on oath says the foregoing is a true list of Persons who served honorably & faithfully with him on an Expedition known as the Mall Campaign in September 1842 and that they served for the term of three weeks. Any discrepancies in the signature to my discharge is on account of John Nicholson' having signed a portion of them by my direction I have examined them & find that they agree with this Muster Roll.

Sworn to & subscribed before me this 25th. Aug 1857.
