At home 31 Oct 1849

James B. Shaw Esqr.

Dear Sir,

Enclosed you will find Paymaster Generals Certificate for $728 for nine months services No. 1500, and also a draught on the Treasury by the Auditor and Controller for $200 No. 1274, which belong to the estate of Hezekiah Bipell of which I am administrator. File them, and issue the necessary certificates, and keep them until I come up, which will be at the inauguration of the Governor. We arrived at home on sunday in good health. All are well. Remember me to my friends, and as for my enemies, may heaven forgive them all their sins.

Your friend

Jon W. Dancy
