Head Quarters Army
Harrisburgh 8th May 1836

Major W. R. Bowen joined the Army of Texas during the last Month and was detached on Service to raise Volunteers and quiet the excitement which prevailed at that time throughout the Country. I take great pleasure in saying that Major B has discharged the duties assigned in a manner very creditable to himself and beneficial to the Country and is therefore honorably discharged.

Thomas S. Rusk
Brig Genl Comdg

Mr Gohagan is included in the above discharge
