From satisfactory evidence
to me adduced I have granted
to the heirs of the late Alfred Bry-
num ~~the guarantee~~ the quan-
tity of bounty land close from
or them, under the law, and
it is my opinion his claims should
be audited — Said evidence is
on file in my office and accor-
ding to it it appears he entered
the service under command
of Capt Fletts on the 25th day of
Feby 1836 and was mustered March
27th 1836
