Mr. J H Ferry

Dear Sir

Enclosed please find my Claim against the late Republic of Texas, together with a Power of attorney upon, which you will please draw the money, and bring it home for me

I am informed by Chas Westmoreland that he intends resigning his office of Notary Public, and intends removing to Palestine he has sold out his residence near Town. Would you please do me the kindness to have me appointed to that office in this County.

Your Compliance will be duly reciprocated by your pt.
