J. B. Shaw Esqr.

Dear Sir

I neglected to send my discharge from Somervell by my Brother Guy when he last went up to Austin to have it audited &c —

My Brother told me if I would send it to you I could have it attended to — You will confer a favor by having it audited & forwarded to me — The campaign cost me about four hundred dollars & if there is any thing to be had for services rendered I should glad to get it —

Yours truly

M Austin Bryan
