Personally appeared before me John M Swisher Auditor Alfred S. Thurmond who on oath says he was a member of Capt Cameron's Compy on the Mier Expedition and was well acquainted with John Brannan who was a member also of the same Company. That his name is incorrectly reported on the Roll as John "Bremen" and that no one by the name of "Bremen" was in the Company.

Sworn to before me A G Thurmond
this 31st Jany 1852.
