This is to certify, that, by order of Brigadier Genl E. H. Tarrant, on the 19th day of September A.D. 1841. or about that time I mustered into the Service of the Republic of Texas a company under the Command of Arthur — known as the Bird's Fort Company — said company being ordered to the frontier on the Trinity for the purpose of erecting a fort and defending the same, which service was performed. The men were discharged into the service for six months.
