Nacogdoches
Sept 2nd 1841.

Hon Jno G. Chalmers
Secy of the Treasy

Dear Sir

I am requested by Mr John C. McKean to forward to you the enclosed Certificate of Stock in the funded Debt of Texas with the accompanying evidence of a transfer of the same from Genl Douglass to said McKean.

As the transfer is not attested by subscribing witnesses, and Genl Douglass is dead, I have concluded in justice to Mr McK. to say to you that as Administrator on the estate of said Douglass I feel satisfied the Mr McK. is the actual owner of the Stock.

It will perhaps be determined at the Stock Office that Col Wm G. Cooke is the proper person to make the assignment on the books, if so will you be so good as to cause it to be done as soon as that gentleman returns to Austin and enclose the Certificate of Mr McK. to him at Milam, Sabine County Texas.

I am Sir
Very respectfully
Your Obt Servt
J. H. Starr
