from the ~~the first day of July AD 1839 till the 18th~~ day of January AD 1842 the date of his discharge from said service, at the monthly rates of pay of soldiers in the Army.

Petitioner further represents that the Company of Captain Reuben Ross was a mounted Company and petitioner furnished his own horse for said service, which was appraised at one hundred dollars; for money and that said horse was lost in said service, for which he ought to be paid. Petitioner avers that he has received any pay for said services or said horse.

The premises considered petitioner prays your Honorable Court to award him pay for his services and for his horse lost in the service as aforesaid, and for general relief, and as in duty bound
