from Mr Wilber – I have to request that you will look at the papers on which the certificate of indebtedness was issued by the "Auditorial Board" and see if there is not full proof there that she is the Widow of the late David C. Wilber – I cannot see what additional proof is necessary – I knew her before Wilber's death as his Wife, and hence the affidavit I gave before Mr Brower in New York –

I think it doubtful if I can visit Austin during the session of the legislature – I am exceedingly anxious to do so if I can –. On the next page I sign my name for you to write the proper sent over –

You will oblige me by a prompt answer to this.

Yours Truly
E. W. Moore
