Information as it appears to me the copies already in your office and the Muster & Pay Rolls are sufficient evidence of the authenticity of a just claim against the late Republic of Texas — which I paid out of my own pocket.

In reference to what you say about the Power of Atty. [illegible] I am [illegible] that you will look [illegible] the paper on which the certificate of individuality may be [illegible] by the Auditor [illegible] there is not [illegible] alleged there that she is the Widow of the late Danl. [illegible] Walker — I cannot see what additional proof is ne[illegible] — I have [illegible] of your Wal[illegible] death and his Wife [illegible] hence the affidavit I [illegible] before Mr. [illegible] in New York.

I think it doubtful if I can visit Austin during [illegible] of the Legislature [illegible] am [illegible] anxious [illegible] do so [illegible] you will oblige me [illegible] a perfect [illegible]
