Interrogatories to be propounded to John Linn and Dr. January resident citizens of the County of Victoria whose answers are to be used as evidence on the application of Robert Willoughby and wife representatives of Walter Fosgate for pay for his services as Surgeon of the army of Texas

Int'g 1st - Dr. Walter Fosgate says in his lifetime that he was appointed Surgeon of the army of Texas 11th February 1836 and served as such for three years, State what you know about said service and when he was discharged.

Int'g. State whether he was a good surgeon, whether confidence was reposed in him by the officers of the army and heads of Department - whether he kept correct accounts and whether the accounts he gave attached were correct and any circumstance that may benefit the applicants.
