2d Answers of Capt. Antonio Menchaca to the Interrogatories

1st Interrogatory I know him first at ~~Gr Donolos~~ near the Brazos River about the 12th of April A.D. 1836. and knew him from that time up to 1839. when he left San Antonio.

2d Intgy I knew him at the Battle of San Jacinto as a Surgeon of the Army of Texas in April 1836. afterwards in May 1837. I saw him in the Army acting as Surgeon General, at Camp Johnson. afterwards him in San Antonio in 1838 and 1839. in the same capacity, attending upon the sick Soldiers

3d Intgy I know that he was a Surgeon in the Army of Texas the times I have stated above; And I believe that he served the full time stated in his Account.

Gs I know that confidence was reposed in Doctor Walter Fosgate by the Officers and Soldiers of the Army, and by the Heads of Departments of State. I know him to have been an honest, honorable Gentleman, and was considered by all the first Surgeon in the Republic of Texas. was always kind and attentive the Poor Soldier attending to his every want.

Sworn to and subscribed before me this 21st day of Dec 1838
