Answers of Nathaniel Lewis to the Crossquestions

1st Cross. I know Dr. Walter Fosgate in 1836. on the La Baca as Surgeon in the Army of Texas and afterwards him in 1837. & 1838. I know from personal acquaintance with him and with the Army. I do not know the precise time when he entered the service. I do not know how long he was in the service, for I do not know when he quit. My impression is that he was head Surgeon. I do not know what money he expended for ~~belonging~~ to the Government. but I do know that he kept up the Hospital of the Texas Army in San Antonio, from his own resources, by borrowing and begging, for I have lent and given him a great deal myself for that purpose. I do not know whether he received any pay or not. What I have stated above I know from my personal knowledge.
