Dear Sir

Some weeks since we sent to you through Mr Geo. C. Reeves, the applications of Geo H Roberts & Shepley for pensions under the act of the Legislature of 1870, granting pensions &c &c. We would be very glad to learn the result of the applications - If anything more in the way of evidence is wanting be pleased to inform us, that it may be supplied. If sufficient evidence has been furnished, as we suppose it has, to procure the certificates, we would be glad to receive them at your earliest convenience.

Very Respectfully,

Cronk & Wilson
