Clayton Barbour Co Ala
Sept 22. 1859

Messrs Larleton & Burlage -
Gentlemen -

Enclosed we send you papers for Mr Friendly Grubbs of this County, certified and proven as directed in your letter to him of the 20th ultimo. You will please send us a sight draft in name of Friendly Grubbs on New York, as a draft on that City is more saleable in these parts than one on New Orleans.

Your earliest attention will much oblige us.

Yours respectfully,
Clayton & Wood
