Austin city Texas
January 16th 1854.

I John D Morris do hereby certify that I was a member of the Texian expedition usually known as the "Vasques expedition" which assembled at San Antonio in the Spring of 1842 when Gen. Edward Burleson was chosen Gen. in chief, and that Gen. Thomas J. Green was one of Gen. Burlesons staff & I believe generally was looked upon and acknowledged as head of his staff as most or all of the orders of Burleson were written & communicated by said Green.
