State of Texas,
Colhoun County.

I, John Henry Brown, of Indianola, Texas, hereby certify that I was a member of Capt. Isaac N. Mitchell's company in the South Western or Somervell army of Texas in the fall of 1842. That I knew Francis Marcott as a private in said company; I also knew perfectly well the sorrel American horse he rode on said expedition & that said horse was the property of William P. Stapp. That said horse was lost on the expedition from want of forage and extremely hard service. It is my opinion that said horse at that time, being a good American saddle horse, about 8 years old, was worth about one hundred dollars.
