J. B. Sham Esqr
My Dr Sir

I send with this an audited claim on the State for $61.06 together with a power of atto authorizing you to draw the money for me. I wish you to keep the money until I advise you have to dispose of it.

I have been sick for several weeks but am now nearly quite well

Yours very truly
Henderson

P. S.

Should my friend Major Ed Clark call for all or any of the proceeds of the draft pay it to him — Henderson
