Montgomery Nov 18. 1853.

Dr Sir.

Your letter has been recd. I do not recollect exactly what time you were discharged. We landed at Live Oak Point on the 5th day of July 1842. & some ten days afterwards you were discharged, but I can not fix the date any nearer than this. I suppose however that will be near enough for your purposes. —

Very respectfy
Yours &c
Jer: Clemens.
