The State of Texas
County of Walker

Personally appeared before the undersigned Joseph W Hackett who having been by me duly sworn under oath stated that he was well acquainted with Charles Hill during his life, that he was a resident citizen of the Republic of Texas at the time he volunteered in what was afterward called the "Sommerville Campaign" that as ~~they~~ he verily believed he died a resident of said Republic (now State) of Texas, and that Samuel Hill a resident of this county was always understood and recognised as his brother.

Sworn to and subscribed before me this the 9th day of July 1852.

Witness my signature and official seal ~~this~~ office in Huntsville.
