H. P. Brewster Esqr Sandies July 8th 1854

Sir

I understand from Mr Dennis that I am entitled to pay from the State for services rendered in the Campaigns of 42 & 3. If so I wish you to assist me in collecting it. I know nothing of the form of application. I want you to act as my agent and inform me what is necessary for me to prove and pay yourself out of the money if any is coming to me. I believe you could prove my services in both campaigns. Yours truly
