As suggested by Mr. Notch Trip I send, the duplicate of the letter and lost certificate issued to Isaac Tooke for approval please do so and return it to me at this place.

I send you \$1.00 which I believe to the amt. If not enough I will remit the balance, or will there be any fee due on the approval?

Respectfully
Geo. W. Smith

P.S. Is it necessary that the claim of a Santa Fe Prisoner which was awarded by the Auditorial board, should be again allowed or acted on by your court?
