This is to certify that Doctor T. Jeff Johnson of Melrose Nacogdoches County, Texas, was a surgeon in my command from the 4th day of July AD 1840 to Oct. 4. 1840 and served on the frontier of Nacogdoches County and was honorably discharged at the end of said term of service.

There is sufficient evidence on file in this office to show that Dr. T. Jeff Johnson, served under Mjr Dent, but from a letter from John F. Graham Quarter Master it appears that he did not settle his a/c for Medicines &c furnished here — therefore his account cannot be approved
