Dear Bob.

I have to trouble you with the enclosed papers, and as it the matter is for the benefit of a little girl just now big enough to be courted, you will have to attend to it.

If you get the money pay it into Jno H Day's Credit for on act of Taxes for 1858. & send me the deposit warrant so that I can call on Day for the money.

We have no news. Some considerable marrying goin on here, but none of the parties are much known to you except Ira Clemmons who after a widower-hood of about 18 months has married an Irish Widow with whom you are not much acquainted Miss Mary Baine, (Moses Baines Daughter next eldest to Mrs Levenson is to be married soon to a Mr. Crozier
