Comptroller's Office
Austin April 10th 1855

Alfred Gee Esqr
Independence

Dear Sir:

In reply to yours of the 6th inst I have to say, that there has been two claims audited in favor of Richd Gee or Richd N. Gee;—one for $88.50,—the other for $31.50p.

If your son died leaving no family, you as his farther would be authorized to collect the amount due, which you can receive on application at the Treasury in person or by Attorney.

It will be necessary for you to prove by two respectible witnesses that you are the father of the deceased, and that he died leaving no family.

With great respect
Yours

Lamont B. Shaw
Compt.
