City of Houston August 25th 1849

To the Hon.
Auditor & Comptroller of the State of Texas
Gentleman

I herein enclose you P S Pillans draft on General Cazaneau, favor of Nathan Taylor for 3599.64
Do Do 2764.62
making in all 6364.26

This has been regularly transferred to Thomas Mc League to whom I wish the Certificate issued as assignee as I do not wish it in Nathan Taylors name

I would ask you where is the justice of rating these claims at 16⅔ on the dollar when you rate Treasury Notes at 25 cts on the Dollar — Certainly this claim ought not to be placed on a worse footing because we have lost the use of the money so many Years Pray take this matter into Consideration — I know well you wish to do your duties as Officers of the Government faithfully and impartially — without being oppressive to the Holders of Claims

Your obedient Servant
I. Delcordova
