State of Texas }
Guadalupe County } Personally came before me the undersigned Notary Public Augustus Pharr and Washington Lomas citizens of the said State and County who being duly sworn declare that they were in a Company of Texas Volunteers commanded by Capt Brown or Capt Gill of Brazoria County in the spring of 1842, that John M Lomas was a member of said Company at the same time and rendered like service with themselves and that he is entitled to pay for the Vasquez Cam-paign instead of the Wall campaign as proven by us before John R King notary Public and that there was a mistake made in that of-fidavit by inserting "the Wall campaign, when it it should have been Vasquez campaign, that said error was not intentional on our part, and that this affidavit is made from no interestia motives further than to enable them to have their names placed properly upon the records of the County and obtain their lawful pay
